The Autumn Time of Year

~~Sandra Town Lytle

I love the autumn time of year
 When winds will howl or sigh;
 It seems as though they're echoing
 Sweet summer's sad good-bye.
 "Farewell, farewell," they call to me,
 "Soon winter will be here,
 So I bring you a special gift
 To fill your world with cheer:

A treasure chest of emeralds,
 Of rubies, and of gold;
 I'll swirl my jewels across the land
 In colors bright and bold.
 Then when the world is cold and white
 Viewed from your windowpane,
 You will recall the glow of fall
 To warm your heart again."

☺ SMILE AWHILE ☺

A lawyer and a senior citizen are sitting next to each other on a long flight. The lawyer is thinking that seniors are so dumb that he could get one over on them easily. So, the lawyer asks if the senior would like to play a fun game. The senior is tired and just wants to take a nap, so he politely declines and tries to catch a few winks. The lawyer persists, saying that the game is a lot of fun... "I ask you a question, and if you don't know the answer, you pay me only \$5.00. Then you ask me one, and if I don't know the answer, I will pay you \$500.00," he says. This catches the senior's attention and, to keep the lawyer quiet, he agrees to play the game. The lawyer asks the first question. "What's the distance from the Earth to the Moon?" The senior doesn't say

a word, but reaches into his pocket, pulls out a \$5 bill, and hands it to the lawyer. Now, it's the senior's turn. He asks the lawyer, "What goes up a hill with three legs, and comes down with four?" The lawyer uses his laptop to search all references he can find on the Net. He sends E-mails to all the smart friends he knows; all to no avail. After an hour of searching, he finally gives up. He wakes the senior and hands him \$500. The senior pockets the \$500 and goes right back to sleep. The lawyer is going nuts not knowing the answer. He wakes the senior up and asks, "Well, so what goes up a hill with three legs and comes down with four?" The senior reaches into his pocket, hands the lawyer \$5, and goes back to sleep.

Thanks to Allan's coffee friend, Richard, from Wisconsin for sending this to us.

MORE SMILES

~~One evening a woman and her husband were sitting on their front porch enjoying a bottle of wine together when the woman suddenly said, “I love you.” Surprised, her husband said, “Is that you or the wine talking?” “It’s me,” she replied, “talking to the wine.” *Thanks Clyde!!*

An Old Farmer’s Advice:

- **A bumble bee is considerably faster than a John Deere Tractor.
- **Words that soak into your ears are whispered...not yelled.
- **Forgive your enemies. It messes up their heads.
- **Do not corner something that you know is meaner than you.
- **You cannot unsay a cruel word.
- **Every path has a few puddles.
- **When you wallow with pigs, expect to get dirty.

**Lettin’ the cat outta the bag is a whole lot easier than putting’ it back in.

**Don’t judge folks by their relatives.

**Live a good, honorable life. Then when you get older and think back, you’ll enjoy it a second time.

**Sometimes you get, and sometimes you get got.

**Always drink upstream from the herd.

**Good judgment comes from experience, and a lotta that comes from bad judgment.

**If you find yourself in a hole, the first thing to do is stop digging’.

**Meanness don’t jes’ happen overnight.

**Timing has a lot to do with the outcome of a rain dance.

**Don’t interfere with something’ that ain’t botherin’ you none.

**Keep skunks and bankers and lawyers at a distance.

GRANDPARENTS

~~What a bargain grandchildren are! I give them my loose change, and they give me a million dollars’ worth of pleasure.

~~Perfect love sometimes does not come until the first grandchild. *~Welsh Proverb~*

~~Becoming a grandparent is wonderful. One moment you’re just a parent and the next you are all-wise and prehistoric.

~~Grandchildren don’t stay young forever, which is good because Grandpas have only so many horsy rides in them.

~~Grandmother-grandchild relationships are simple.
Grandmas are short on criticism and long on love.
